MARRAM

Core Values

Rooted in design, built with craftsmanship. MARRAM blends coastal inspiration with modern aesthetics to deliver cabinetry that is timeless, durable, and utilitarian. We strive to serve professionals in the trade with refined cabinetry solutions that support inspired design, seamless execution, and enduring quality.

OUR STORY

MARRAM

The New Standard in Custom Cabinetry

At MARRAM, we believe every space refiects a lifestyle. Guided by our philosophy of Casual & Modern Living, we bring together four distinct aesthetics: Coastal, Farmhouse, Contemporary, and Modern. With versatile construction methods like Vista (Full Access), Heritage (Framed Inset), and Linea (Italian Frameless), MARRAM empowers designers, architects, and contractors with endless creative possibilities.

We offer an extensive palette of materials and finishes, supported by the expertise of our professional design team. From concept to realization, we ensure precision, efficiency, and inspiration at every stage, delivering bespoke kitchens, bathrooms, laundry rooms, and walk-in closets tailored to each client's vision.

WEATHERED & DARK BROWN WALNUT

Our weathered and dark brown walnut finishes reflect the artistry of handcrafted, North American hardwoods. Every finish is applied by hand and every surface sanded by hand, creating rich textures, subtle tonal variations, and sophisticated, organic colors. As a standard feature, our slab doors are grain-matched, allowing the walnut's natural grain to flow seamlessly vertically across each piece, creating a striking, continuous aesthetic. This meticulous process highlights the artisan craftsmanship and celebrates the inherent beauty of walnut, resulting in a luxurious space that feels genuine, modern, and serene.

LAKELAND-II
DARK BROWN WALNUT

CLAYTON
WEATHERED WALNUT

WIRE BRUSHED RIFT WHITE OAK

Our wire-brushed rift white oak finishes are crafted from North American white oak and rift-cut for a consistent, elegant vertical grain. Each veneer is wire-brushed by hand, enhancing texture and highlighting the depth and beauty of the grain. As a standard feature, our slab doors are grain-matched — a meticulous process rarely offered elsewhere, creating a seamless, luxury aesthetic. Every piece is then hand-sanded and stained to showcase rich tones and subtle variations. Rift-cut white oak delivers a refined, timeless look, elevated by artisan craftsmanship.

EXQUISITE MATTE FINISHES, REFINED AND ENDURING

Our painted finishes are crafted for those who appreciate subtle beauty and elevated living. The MARRAM palette flows from nature-inspired tones to fresh, fashion-forward designer shades, each curated to harmonize with coastal, contemporary, and modern-organic spaces. Every finish is offered on our select paint-grade hardwoods and, for a truly elevated and textured look, on beautifully grained white oak.

Each cabinet passes through multiple finishing cycles — hand-sanded, carefully painted, and oven baked again and again — building a surface rich in feeling and exceptional in durability. The final result is a soft matte finish visually serene, bringing warmth, calm, and sophisticated character to your home.

INFINITE EXPRESSION
Bespoke Color Customization

Custom color options extend beyond our standard signature color palette. Select from every Benjamin Moore and Sherwin-Williams shade to perfectly align your cabinetry with your design vision. All custom finishes are available on both premium paint-grade hardwood and white oak, ensuring a luxurious and tailored finish.

PROFESSIONAL
COLLABORATION

We provide comprehensive project support through expert product introductions, precise CAD drawings, high-resolution renderings, transparent quotation processes, fiexible pricing tier options, and streamlined project tracking. Our team is equipped to support trade professionals with the clarity, accuracy, and responsiveness needed to move projects forward with confidence.

We also offer professional nationwide job-site delivery, ensuring every order is handled with care and supported through final arrival.
